Carpool

Our goal is to keep cars moving!

Thanks for your continued support of our carpool procedures during the first week of school. *Remember drop off times are 7:15-7:45. Doors will close promptly at 7:45.* Please form 2 lines when entering the parking lot. HME will be partnering with community members and high school students to help during morning carpool. We will have our local fire department and police officers who live in Melissa and various high school groups opening car doors in the morning and welcoming our Cardinals. When you see fire trucks and police cars, don't be alarmed; they are here to serve you and your student. Thank you to our local fire department and police officers! We welcome any and all support-come join us!

Volunteers at HME

To be a volunteer or attend field trips, you must first fill out a background check form. They are available in our front office and on our school website. Once you are approved, when you arrive on campus you will need to sign in and get a volunteer badge. Background check forms need to be filled out every year.

Partnering with HME

For students birthdays, be respectful of students with allergies and food limitations and limit any goodies brought in to the class to be non-food items. We appreciate your support with this sensitive matter.
