Volunteers at HME

To be a volunteer or attend field trips at our campus, every year you must first fill out a background check form. They are available in our front office. Once you are approved, when you arrive on campus you will need to sign in with your drivers license and get a volunteer badge. During the beginning of the school year new volunteers will not be approved until mid October. Last year's volunteers will need to fill out a new form and they can start right away.

Morning Carpool

Our goal is to keep cars moving!

Thanks for your continued support of our carpool procedures during the first week of school. **HME** will be partnering with **community members** and **high school students** to help during morning carpool. We will have our local **fire department** and **police officers** who live in Melissa and various high school groups opening car doors in the morning and welcoming our **Cardinals**. When you see fire trucks and police cars, don't be alarmed; they are here to serve you and your student. **Thank you to our local fire department.**

MISD School Bus Policy Reminder

Eligible students will not be allowed to ride any bus other than their assigned bus. Guest riders are not allowed on Melissa ISD bus routes.

**Please Be Reminded
