Student Led Portfolio Night

March 23rd

5:30pm-7:30pm

**Kindergarten, 1st Grade,
and 2nd Grade**

Please make plans to attend this come and go event and let your student show you their accomplishments this school year. Overflow parking will be behind the portable buildings. **Please** no strollers in the building to help with overcrowding.

We are proud of our Cardinals!

3rd Grade Portfolio Night is April 6th

Jump Rope For Heart

During the month of February, students at McKillop Elementary jumped all over heart disease and stroke by participating in Jump Rope for Heart! The students raised more than \$11,000 for the American Heart Association. It was a huge success! We're very proud of all the jumpers, we had lots of fun.

MISD Procedures for Tornado Watches and Warnings

With Spring around the corner, HME would like to share this reminder. Melissa ISD protocol states that during a tornado warning while sheltering students, staff will not release students and phone calls will not be answered. Once a tornado warning is lifted all campuses will revert back to normal procedures.

Update: Delivery of Lunches

To continue to maximize classroom instruction time, office personnel will no longer call classrooms to deliver lunches for students. Parents will sign in and deliver lunches to table located outside cafeteria.
