HME Absence Policy

Optimal learning occurs when all students are present.

We aim for a daily attendance rate of 98%.

However, if your child is absent:

***Report the absence through the MISD website. Or send a note when your student returns. You do not need to call the school.**

***The school may only accept 3 absences by parent note per year. The school must receive parent notes within 3 days of the student's absences to be considered excused. Doctor's notes always excuse an absence.**

***After 3 unexcused absences within a 4 week period for days or parts of days, truancy prevention measures will be put in place.**

***Attendance is taken at HME every period/hour. If a student arrives between 7:40am—7:59am, a tardy will be issued. If the student arrives late between 8:00am-9:59am an unexcused absence will be entered in 1st period.**
