

Office of the Superintendent

Welcome to Melissa Schools. I am very pleased that you are taking a moment to browse through information about our fine district. As you become acquainted with the schools and community, I believe you will notice the quality of all of our student programs. We have something for everyone and take pride in everything we do. At Melissa Schools we put students first.

The major theme of our district's philosophy is "continuous improvement." Our staff works diligently to stay in touch with effective teaching strategies and current trends in education, while always building on the basic fundamentals of learning. We are committed to the success of our students!

We are proud of our Cardinal roots. As a district, we understand the importance of community involvement and support. We strive to provide opportunities for our campuses to reinvest in the strong traditions of our community. We enjoy Melissa, Texas.

I encourage you to meet me and any other members of my fine staff when you get a chance. If you would like to catch and enjoy "Cardinal Fever," feel free to drop me an email or call my office at 972-837-2411.
