## ACADEMIC SCHOLARSHIP

Living for Zachary was founded in honor of Zachary Schrah, who was only 16 years old when he collapsed during a high school football practice in Plano on April 2, 2009. There was no warning. There were no signs. After Zachary's death, Living for Zachary, a non-profit organization, was established to raise awareness of SCA in youth.

Living for Zachary is dedicated to raising awareness of sudden cardiac arrest (SCA) in youth and saving lives through community education and awareness events, providing youth heart screenings, awarding student scholarships and donating automated external defibrillators (AEDs) to youth-based organizations.

Zachary Schrah planned to pursue a profession in the medical industry, and this scholarship honors his memory by supporting students pursuing post-secondary education in the medical profession.

The Living for Zachary Academic Scholarship will be awarded to three high school students in the amount of **\$2,500** who demonstrate academic excellence, school and community participation, leadership potential and financial need.
