Reserved seating football tickets sold out

MELISSA, TX – Reserved seating tickets for the fall 2018 Melissa Cardinal football season are now sold out.

Reserved seating tickets were scheduled to go on sale to the general public on Tuesday, Aug. 7 at the Home Office. However, due to last season's ticket holders electing to repurchase seats at max capacity, there are no reserved seats left to sell.

General admission tickets to home football games will be sold at the gate unless otherwise posted.

The game schedule can be found on the football web page at www.melissaisd.org/athletics/football.

More information regarding the athletics program, facilities, and ticket pricing can be found on the athletics web page at www.melissaisd.org/athletics.

We appreciate your support and look forward to seeing you at upcoming Melissa Cardinal and Lady Cardinal sporting events.
