Melissa students explore college, career options at high school College Fair

MELISSA, TX – Melissa High School welcomed representatives from over 100 post-secondary institutions Thursday morning for the 12th annual TACRAO College Fair. Universities, colleges, technical schools, and military branches were represented.

The College Fair is an opportunity for Melissa's upperclassmen to explore their plans for life after high school, whether that be through higher education, a service academy, or beginning their career.

Juniors and seniors from Melissa High School visited the fair during second and third period; they were joined by students from six area high schools.
