## Meal Charge Policy

### Elementary:

Parents are strongly encouraged to continually monitor their child's meal account balance. When a student's meal account is depleted, the district will notify the parent. The student will be allowed to continue purchasing meals for 5 days or up to \$15, whichever occurs first, and the 83 district will present the parent with a schedule of repayment for any outstanding account balance and an application for free or reduced meals. If the district is unable to work out an agreement with the student's parent on replenishment of the student's meal account and payment of any outstanding balance, the student will receive an alternate meal. The district will make every effort to avoid bringing attention to such a student.

### Secondary: (No Charges)

Under the (No Charge) policy, a student will not be allowed to purchase any meal on credit. In the event that a student is carrying a negative account balance or does not have any or enough money to purchase a meal for that day, a modified meal will be provided. Additional charges will not be allowed until payment is received. (Modified meal: Sandwich and a fluid milk)

No Adult Charges Allowed.
