

MELISSA SCHOOLS

STUDENT

Lab-Confirmed for COVID-19

Individuals participating in UIL activities must follow any additional requirements outlined in the 2020-2021 UIL COVID-19 Risk Mitigation Guidelines.

This flow chart is provided by Melissa ISD for informational purposes. All information is subject to change in accordance with local, state, and federal guidelines. For the full guidelines outlined by the Texas Education Agency, visit tea.texas.gov/coronavirus.

MELISSA SCHOOLS

STUDENT

Symptomatic for COVID-19

Student is
Symptomatic

PER TEA GUIDELINES: Students who are symptomatic for COVID-19 may not return to school until they have met the re-entry criteria and/or received medical clearance.

Notify Student's
School Nurse

COVID-19 Symptoms:

Have you recently begun experiencing any of the following in a way that is not normal for you?

- | | |
|--|---|
| <input type="checkbox"/> Fever or feeling feverish | <input type="checkbox"/> Sore throat |
| <input type="checkbox"/> Loss of taste or smell | <input type="checkbox"/> Congestion or runny nose |
| <input type="checkbox"/> Cough | <input type="checkbox"/> Shaking or exaggerated shivering |
| <input type="checkbox"/> Difficulty breathing | <input type="checkbox"/> Significant muscle pain or ache |
| <input type="checkbox"/> Shortness of breath | <input type="checkbox"/> Diarrhea |
| <input type="checkbox"/> Fatigue | <input type="checkbox"/> Nausea or vomiting |
| <input type="checkbox"/> Headache | |
| <input type="checkbox"/> Chills | |

Quarantine

Until All Re-Entry
Criteria Are Met*

*TEA has outlined additional options that qualify an individual for re-entry if they are symptomatic for COVID-19.

For a complete outline of re-entry options, please read **Page 5** of [TEA's Public Health Planning Guidance](#) ("Individuals Confirmed or Suspected with COVID-19").

CRITERIA FOR RE-ENTRY*: (all must be met)

1. at least one day (24 hours) has passed since recovery (resolution of fever without the use of fever-reducing medications);
2. the individual has improvement in symptoms (e.g., cough, shortness of breath); and
3. at least 10 days have passed since symptoms first appeared.

Individuals participating in UIL activities must follow any additional requirements outlined in the 2020-2021 UIL COVID-19 Risk Mitigation Guidelines.

This flow chart is provided by Melissa ISD for informational purposes. All information is subject to change in accordance with local, state, and federal guidelines. For the full guidelines outlined by the Texas Education Agency, visit tea.texas.gov/coronavirus.

MELISSA SCHOOLS

STUDENT

Close Contact with Lab-Confirmed COVID-19 Individual

Per TEA and CDC guidelines, parents and guardians may opt to have their student quarantine for a stay-at-home period, and may opt to have their student receive remote instruction, if the student has had close contact with an individual who is test-confirmed for COVID-19.

Close Contact:

Per TEA, in general, close contact is defined as:

- being directly exposed to infectious secretions (e.g., being coughed on); or
- being within 6 feet for a total of approximately 15 minutes throughout the course of a day; however, additional factors like case/contact masking (i.e., both the infectious individual and the potential close contact have been consistently and properly masked), ventilation, presence of dividers, and case symptomology may affect this determination.

Either (a) or (b) defines close contact if it occurred during the infectious period of the case, defined as two days prior to symptom onset to 10 days after symptom onset. In the case of asymptomatic individuals who are test-confirmed with COVID-19, the infectious period is defined as two days prior to the confirming test and continuing for 10 days following the confirming test.

Student was in
Close Contact

School Nurse

RECOMMENDED:

Stay at Home for Chosen Quarantine Period & Arrange Temporary Switch to Remote Instruction

For an outline of student quarantine options, read **Pages 3-4** of [TEA's Public Health Planning Guidance](#) ("*Stay-at-Home Period for Close Contacts of Individuals Who Tested Positive*").

Individuals participating in UIL activities must follow any additional requirements outlined in the 2020-2021 UIL COVID-19 Risk Mitigation Guidelines.
